

Forstjackete Technical Extreme

Diese flexible und gut belüftete Husqvarna Forstjackete Technical Extrem gibt Ihnen den notwendigen Komfort für lange Arbeitstage. Leichte, atmungsaktive Materialien und vorgeformte Ellbogen verbessern die Beweglichkeit, und die Belüftung hält kühl, auch bei harter Arbeit. Cordura® Verstärkungen bieten exzellenten Abnutzungsschutz. Die gepolsterte Handy-Tasche schützt vor Kälte und Beschädigung. Erhältlich in den Größen XS-XXL, geeignet für Mann und Frau durch verstellbare Passform.

Reinforced with Cordura®

This jacket is made with Cordura® material on the shoulders, elbows, and sleeves. It is light and flexible, yet durable enough to withstand even the toughest tasks.

4-way stretch

Our 4-way stretch fabric is lightweight and stretches in all directions, providing high mobility where it's needed most. The breathable fabric ensures maximum comfort.

Well ventilated

Stay cool and comfortable all day with ventilation zippers under the arms and opening at the yoke. The mesh lining on the back provides a cooler feeling against the skin and dries quickly when wet.

Sealed and padded front pockets

Multiple pockets designed to be easily accessible even while wearing a tool belt harness. The sealed front pockets prevent sawdust from entering and damaging the zipper, and the padded lining protects your mobile phone from scratches and cold temperatures.

MERKMALE

- Mesh lining, ventilation openings at the yoke and in the armpits to adjust the airflow to your liking
- Light 4-way stretch fabric that will keep you comfortable and focused throughout the day
- Shoulders and sleeves reinforced with Cordura®
- Sealed to prevent sawdust from entering and padded lining to protect your mobile phone from scratches and cold temperatures
- A dedicated first aid pocket with hook and loop
- Hook and loop on the wrists and elastic drawstrings at the waist for perfect fit adjustment
- Ensures a perfect fit in all working positions.
